

### Qualifications

BA(hons)

## Yu-Wei Chang

### Architectural Assistant

Yu-Wei is a Bartlett School of Architecture graduate. He joined David Morley Architects in May 2014, and has worked on a wide range of projects including Stewart House, Royal Wharf and the Triangle residential building in King's Cross. He is currently working on the £40 million Nottingham University David Ross Sports Village.

Before joining David Morley Architects, Yu-Wei completed his Part 1 at BDP, where he worked on the design of several Chinese shopping centres. He has also worked as an architectural assistant and research assistant at CJ Lim Studio 8 Architects participating in several master plan competitions.

Yu-Wei is a fluent Mandarin and Cantonese speaker. A keen sportsman, Yu-Wei has a passion for rock climbing and cycling.
